National Conference on Latest Trends In Information, and Communication Technology

CALL FOR PAPERS (CFP) **27th & 28th Feb. 2023**

National Conference on "Latest Trends in Information and Communication Technology", is a forum for presenting excellent results and new challenges in the field of Science and Engineering. It aims at bringing together the Researchers, Scientists, Engineers and Ph.D. Scholars in all areas of Engineering and Technology. It provides a national forum for the dissemination of original research results, new ideas and practical development experiences which concentrate on both the theory and practice. The Conference focuses on all frontier topics in Computer Science and Technology. The Conference is organised by the Department of Master of Computer Applications, Andhra Loyola College (Autonomous), Vijayawada in association with SOLETE

About Department of Master of Computer Applications

The Department of MCA in ANDHRA LOYOLA COLLEGE was started in the year 1994 and has successfully completed 29 years in the field of quality IT education. Information is the art of any organization and harnessing this information through innovative means has always been the objective of the Department.
